

Environments for Ageing and Dementia Design

This certificate confirms that following an independent design audit,

**Remini Bedroom Themes
(Olive, Marine, Teal, Mulberry)**

have met the standards of
**Environments for Ageing and Dementia
Design Assessment Tool (EADDAT)**
Tier 2 - Supportive
and have been awarded* the

Gold Design Award

by

Dementia Services Development Centre (DSDC)

Certification valid until May 2027

*The assessment was conducted in an agnostic environment. There are additional environmental factors that may influence the rating in an actual setting.
